

# WORLD LANGUAGES RETESTING POLICY

- Students are allowed one retest per grading period.
- The highest possible grade on a retest is a 70.
- Students have five school days *from when the grade is issued / posted online* to complete tutorial(s) and retesting (unless the retake window is shortened due to grading periods, etc).
- It is the student's responsibility to initiate the appropriate tutorial and retesting process with his/her teacher.
